

Eagles for Children July Recap

Chatham Hills Golf Members,

During the month of July we made **Twelve** Eagles, bringing our totals to **40 Eagles** and **\$44,000** raised for our local children's charities to date. **WOW!**

Thanks to the following players for showing off their golfing skills:

First and foremost, we had our first Eagle from the Ladies. Monika Dehnert made her first Hole in One on #11. Congratulations Monika!!!

Johhny Hart (7) recorded his 3rd Eagle of the season & leads the pack; Bryan Miller (7) joined the 2nd Eagle club when he made Eagles on #7 on back-to-back days!

Other Eagles made this month: John Strack (4), Tad Calahan (5), Ryan McKeown (7), Paul Nash (7), Perry Wethington (7), Drew Federau (17), Todd E Irwin (17), and Tony McEvoy (17).

Please make sure that you stop in the Pro Shop and have your Eagle recorded. If we missed recording your attested Eagle (i.e. you don't see your name above for the month of July), please reach out to us. Even if you opted-out of the EFC program your Eagle still counts and raises money for our children's charities.

Below are some additional EFC program updates:

- Eagles for Children is now accepting grant applications, through September 15, for 2025 funding. Information on applying for a grant can be found on our EFC Web Site ([Eagles for Children® - The Club at Chatham Hills](#)), or reach out to Emily Anderson, Tina Burks, Roger Harvey, or Gary Warzala for help.
- As we collect data on Eagles made, and adjust for member participation, we are targeting 70 total Eagles by the end of September. This would raise approximately \$70,000 for our kids' charities and make the member family tax-deductible contribution \$280.
- Every month, 100% of all money raised is sent to the EFC Foundation in Michigan. The Foundation will return 100% of our money in the form of checks to our selected charities in October / November as well as send out all charitable tax documents to members in January.

Thank you again for the continued support and excitement you are generating on the course. Let's go make some Eagles for the Kids!

Brandon Snell & Gary Warzala
